A	Measure between bottom of sleeve holes.
B	Measure above slits
C	Measure from centre back to bottom
D	Measure from shoulder seam to edge of sleeve opening

Please note: Not all sizes are available in stock program. We advise to contact NYBO WORKWEAR A/S customer service or homepage.

Please note: Final measures will depend on tolerance in garment making (See above), and measuring method (+/- 0,5 cm)  
 Also note: Washing and drying conditions in industrial laundering can further more give a shrinkage of up to 3-5 % (Depending of material)  
 Please also consult our recommendation for industrial washing/drying on [www.nybo.com](http://www.nybo.com).
